A Successful 2012!

Thanks to our generous donors and dedicated staff, UCAN completed 8,735 surgeries in 2012. That makes over 47,000 surgeries since the clinic opened in April 2007. These surgeries have prevented thousands of unwanted cats and dogs from being born into abuse, neglect and ultimately unnecessary death in local shelters.

Other UCAN accomplishments in 2012 include:

- A targeted cat spay/neuter program in Brown County, OH, thanks to a generous grant from The Joanie Bernard Foundation, pursuant to which 402 cats have been altered and given a rabies and distemper vaccine for just \$15 per cat.
- A Free Roaming Cat Assistance program, again courtesy of a grant from The Joanie Bernard Foundation, pursuant to which over 60 stray/feral cats have been sterilized and received a rabies vaccine for free.
- Established a new, free transport for dogs from Pendleton County, KY to the clinic, with special pricing through Northern Kentucky's Friends of the Shelter of \$15 for surgery and a rabies vaccine.
- Established a new, free transport for both cats and dogs from Gallatin County, KY, with special pricing for surgery and a rabies vaccine through Northern Kentucky's Friends of the Shelter of \$10 for cats and \$15 for dogs.

Our 47,000th surgery, Kalhlua, with our registered vet tech Dani Pritchard.

Spay/Neuter Surgeries in 2012:

Cats	5,148
Dogs	3,587
Total	8,735

Meet the Clinic Staff

Denise Bevins, DVM is our Lead Veterinarian. Denise has worked with UCAN since February 2009. She obtained her Doctorate of Veterinary Medicine from Auburn University College of Veterinary Medicine in 2004, and Bachelor's Degree in Biological Science from Northern Kentucky University in 2000.

Denise was born and raised in Northern Kentucky. She lives there now with her husband, one-year old daughter, brand new baby boy (born October 24) and two dogs and two cats! Besides spending time with her family, she enjoys reading, walking the dogs and watching baseball and football games.

 **Consign or Donate Unwanted Items to Help UCAN**

To help bridge the gap between UCAN's low-costs to clients and the actual much higher costs of running the clinic, UCAN has a non-profit consignment store called Pedigree in Montgomery. All net proceeds of Pedigree go to fund UCAN's low-cost spay/neuter clinic. So, when you clean out your house, please donate your unwanted items to Pedigree. You can also consign your unwanted items and get back 50% of the net proceeds.

You can also shop at Pedigree for great deals. You will find an ever-changing selection of unique home furnishings, vintage and designer jewelry, handbags, antiques, art, rugs and other home accessories. We offer gently-used brand-name items at a fraction of the original retail price.

Please visit our Pedigree [website](#) and "[Like](#)" us on [Facebook](#) for updates on new inventory.

 **UCAN's New Transport Box Truck!**

Thanks to a generous grant from The Joanie Bernard Foundation, UCAN now has a wonderful new, very large, box truck. This has allowed us to significantly increase the number of animals we can take on each free transport. We currently have transports from 13 locations within Southern Ohio, Northern Kentucky and Southern Indiana. We are working on adding several additional transports so we can help more people who do not have transportation or access to low-cost spay/neuter.
