July 2015

UCAN's mission is to provide professional, low-cost spay/neuter services to end the unnecessary deaths of homeless cats and dogs in shelters in the Greater Cincinnati area, including surrounding counties in Southwest Ohio, Northern Kentucky and Southeastern Indiana.

Gifts that Save Lives!

This year, *instead of a gift* for someone who has everything or is hard to buy for, *make a tax-deductible donation* in their name instead! We will send them a cute dog or cat card notifying them of your generous donation on their behalf. You both get the satisfaction of knowing that your donation will help provide spay/neuter surgery to

dogs and cats who need it to end the deaths of homeless animals in Greater Cincinnati shelters.

We will send cards for birthdays, weddings, anniversaries, Mother's Day and other holidays. Please invite your friends and family to do the same and turn special events into an opportunity to give back to the community and save the lives of cats and dogs!

Save Lives and Make a Difference! Click here to make your tax-deductible donation today!

\$20 Cat Spay/Neuter Special!

Thanks to a generous grant from The Joanie Bernard Foundation, UCAN has a fantastic cat special through the end of the year: surgery is only \$20 and cats receive a free rabies vaccine and FVRCP vaccine.

Call 513-721-PETS (7387) on weekdays between 9:00 a.m. and 3:00 p.m. to get an appointment while the special lasts!

DID YOU KNOW THIS ABOUT FERAL CATS?

They are born and raised in the wild.

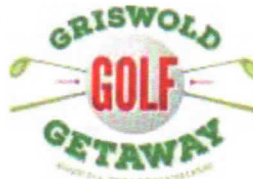

They have little to no human contact.

They can have the same lifespan, and the incidence of disease is just as low, as in companion cats.

Feral cats can live long, healthy lives, content in their outdoor home.

UCAN sterilizes and vaccinates feral cats for FREE! Please look at the feral cat section of our website or call 513-721-7387 for more information.

For you golfers, be sure to register in the Griswold Golf Getaway on August 8th & 9th (benefits The Spirit of Cincinnatus and The Rusty Ball).

Employee Spotlight!

Congratulations to Danielle (Dani) Merrill, our awesome new Lead Registered Veterinary Technician! Dani joined UCAN in September 2012, and was recently promoted to the Lead Position.

Dani worked at a small animal hospital for 9 months and decided to go to school for a veterinary technician degree. She graduated in September 2012 from Brown Mackie College with a degree in animal science and passed her state exam to be a Registered Technician in the State of Ohio. She began as an intern at UCAN while she was in college. She soon realized she had a very strong passion for UCAN's mission and decided to pursue her career with UCAN.

Dani and her husband, Jamie, reside in Bethel with their one year old daughter, Harper. Dani enjoys spending time with her family, which includes her two Great Danes, Bently and Zoey.
