

2024 Accomplishments!

We are so excited to report that in 2024:

- We performed 12,115 spay/neuter surgeries!!!!
- 82 of those were emergency pyometra surgeries (fatal infection of the uterus) which saved the lives of those female pets.
- 5,728 of those were community cats being helped by shelters, rescues, or compassionate TNR people! In addition to giving those cats healthier lives, the surgeries will SUBSTANTIALLY reduce the number of kittens born outside to horrible lives on the street.
- We completed 6,975 vaccine clinic appointments, keeping pets healthy and with the families that love them.

We could not do it without your generosity and support, so THANK YOU!!

We hope you have a wonderful holiday with your furry family members!
