

KEEP PETS & FAMILIES TOGETHER THIS HOLIDAY SEASON

For Families in Crisis, That Special Bond is at Risk

Pets are family. They bring comfort, companionship, emotional support, and unconditional love — especially during tough times.

But families facing homelessness, domestic abuse, or financial hardship are often forced to **surrender their beloved pets** because they can't afford the spay/neuter surgery and core vaccinations required to stay together in temporary housing.

Even more heartbreaking — nearly **half of domestic violence survivors delay leaving or return to an abusive situation out of fear for their pets' safety.**

You can give the gift of safety, comfort, and togetherness. Your tax-deductible donation provides free surgeries and core vaccines for these at-risk pets.

It is the perfect holiday gift to **keep pets and their people together** at a time when they need each other most. Thank You!
