

**Please help keep pets  
with the families who  
love them.**

The world can be a stressful place, but pets fill it with love. From a cat helping a senior feel less lonely to a dog providing emotional support for an abuse victim or veteran, pets and people form powerful bonds. Pets are part of our families and our communities.

Unfortunately, many families are living in poverty or are in crisis, temporarily living in a shelter because of homelessness or domestic abuse. They face the heartbreaking prospect of having to surrender their beloved pets to an animal shelter because they cannot afford the veterinary care the pets need to meet landlord/boarding requirements.

**Please help keep these families together by making a tax-deductible donation to our fundraising campaign today to provide free spay/neuter surgery and core vaccines to these pets so they meet landlord/boarding requirements and can stay with their families.** This basic veterinary care also prevents these pets from having unwanted litters and contracting costly illnesses, enabling them to live longer, healthier lives.

**Thank you for helping our community's pets and their people happier and healthier!**

**Give the Gift of Life - Make a  
Tax-Deductible Donation!**
