

# Help Save Cats & Dogs!

## Community Animals Need Your Help

Please support our annual fundraising campaign which raises funds to subsidize spay/neuter surgery and a rabies vaccine for unowned community cats and underserved pet owners who are unable to pay even our low fees.

Due to the challenging economy, we are getting more requests for financial help than ever before.

Spay/Neuter surgery can save thousands of lives. Imagine a future where:

- Healthy cats & dogs are not euthanized because of overcrowding.
- No homeless cats or dogs are roaming the streets starving or sick.
- Litters of unwanted puppies and kittens are not born and discarded.
- Every pet is wanted, with a real chance at finding a loving forever home.

**You can help make this future possible by making a tax-deductible donation today to help ensure everyone in our Greater Cincinnati community has access to professional, affordable spay/neuter surgery for their pets.**

Our furry friends thank you so much!!
