

Nothing Butt Thanks !!

Even though 2020 was our most challenging year ever, thousands of cats and dogs in need in our community were still helped thanks to your amazing generosity and support. Some of the accomplishments include:

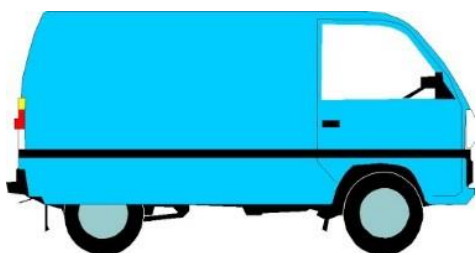

9,579 Spay/Neuter Surgeries

1,553 of those were on community cats which will no longer be reproducing unchecked in the community!

5,685 pets received their core vaccines and other basic veterinary services through our wellness business.

1,900 cats and dogs used our free spay/neuter transport van from surrounding counties.

We helped 168 people through the difficult time of saying goodbye to their beloved pets.

Together, we are making our community healthier and happier.

THANK YOU so much for helping all these pets stay healthy and with the families that love them.

EMPLOYEE SPOTLIGHT

Dr. Amy Strabala, Medical Director

Dr. Amy just celebrated her 7-year anniversary with us! She is an incredibly talented surgeon, having successfully performed more than 38,000 spay/neuter surgeries! Hundreds of female pets that had complex, life-threatening pyometra infections of the uterus are alive today because of her expert surgery skills.

She oversees our amazing and incredibly talented medical team, ensuring every animal that comes to our clinic receives the highest quality of medical care (and gets lots of love in the process!).

She is a Rockstar, and we are so grateful for her compassion, dedication, and hard work.
