June 2016

UCAN's mission is to provide professional, low-cost spay/neuter services to end the unnecessary deaths of homeless cats and dogs in shelters in the Greater Cincinnati area, including surrounding counties in Southwest Ohio, Northern Kentucky and Southeast Indiana.

2016 Surgeries (thru 5/31/16)

Cats: 3,554
 Dogs: 2,070
 Total: 5,624

85,898 surgeries since opening (through 5/31/16)

Interesting Dog Facts:

A female dog can produce 2 litters of 6-10 puppies each year.

IMAGINE A WORLD WITHOUT EUTHANASIA

Imagine a day when our shelters have empty cages; a time when no healthy shelter pets are euthanized.

It is happening in cities across the U.S. - and it can happen in Greater Cincinnati, too. **YOU** can make this dream come true by helping us reduce the number of unwanted pets being born.

For our Annual Campaign this Spring, **we challenge you** to help us fix **500** of Greater Cincinnati's most at-risk animals; to give them the fighting chance they deserve. Did you know that the #1 risk factor for a pet entering a shelter is not being fixed?

Every day we are contacted by pet owners who love their pets very much, but the cost of spaying or neutering is simply out of reach.

Please help us save lives by sponsoring just one spay or neuter surgery for as little as \$40 for a cat or \$75 for a dog. You can make a tax-deductible donation to our Annual Campaign today by clicking on the donate now button! Thank you!

Dogs can become pregnant as early as 5-6 months.

Spaying a female dog greatly reduces the risk of breast cancer and removes the possibility of uterine and ovarian cancers.

Neutering a male dog prevents testicular cancer and reduces the possibility of prostate cancer.

Wish List

Donate these items to help us save money which helps us save more lives!

Ziplock Bags - all sizes
Black Pens & Sharpies
Baby socks (for dog paws)
Distilled Water
Gently used towels
Gently used blankets

FREE CAT SURGERY AND VACCINES FOR HAMILTON COUNTY CATS!!

Thanks to a partnership with SPCA Cincinnati and The Joanie Bernard Foundation, all Hamilton County cats - owned or community (feral) cats - get FREE spay or neuter surgery and FREE rabies and FVRCP vaccines.

For cats in all other counties, surgery is only \$20, and the cats also receive free rabies and FVRCP vaccines.

Make an appointment TODAY while grant funds last at www.ucancincinnati.org.

EMPLOYEE SPOTLIGHT

Donna Cruze, along with her husband Dale, are natives of Kentucky. She began working as an Executive Assistant at UCAN in 2012. She helps with marketing, donor communications, fundraising events, bookkeeping for UCAN's Wags to Riches consignment store and much more!

Before UCAN, Donna was an Administrative Assistant in two local law firms for over 13 years.

Donna and Dale have two grown children, Christopher and Crystal. She has one fur baby, Chloe, a Golden Retriever mix rescued from a puppy mill situation. Donna enjoys being able to help so many people and animals at UCAN.

United Coalition for Animals, 2830 Colerain Avenue, Cincinnati, OH 45225
