Every Bid Helps Save the Lives of Local Dogs & Cats

Our Annual Online Auction Is Live at <https://www.32auctions.com/ucanspayneuter!>

Every bid you place helps keep beloved pets healthy, safe, and with the families who love them.

Thanks to the incredible generosity of our donors, you'll find an amazing selection of items, including original artwork, pet portraits, wine and spirits, entertainment packages, restaurant gift certificates, sports memorabilia, dog and cat items, home décor, and so much more.

But this auction is about much more than winning great items.

The funds raised are critical to providing free spay/neuter surgeries and core vaccinations for:

- Unowned community cats
- Pets belonging to families living in poverty or facing a financial crisis
- Families experiencing homelessness
- Survivors of domestic violence living in emergency shelters

Every bid—especially those that go beyond "bargain hunting" — helps give vulnerable dogs and cats the veterinary care they need to stay healthy, avoid unnecessary suffering, and remain with the people who love them instead of being surrendered to overcrowded shelters.

When deciding how much to bid, we hope you'll remember that you're not simply purchasing an item — you are making a direct investment in saving the lives of local animals and helping families stay together.

Please visit the auction, browse the wonderful items, and bid generously if you're able.

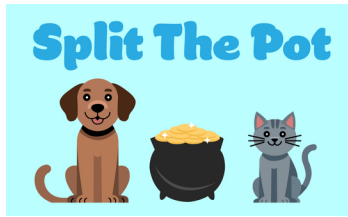

Even if you don't find something for yourself, sharing the auction with friends and family helps us reach more compassionate supporters.

Thank you for making a difference for the animals who need us most—and happy bidding!
