

CELEBRATING OUR FABULOUS TECHS

National Vet Tech Week October 15 - 21

We could not have attained the huge success we have and helped so many pets without our AMAZING Registered Veterinary Technicians! They are incredibly talented and dedicated and they work so hard every day to provide exceptional medical care to the cats and dogs we serve!

Thank you so much Elsa, Claire, and Katie for all that you do for UCAN and the animals - you are all rockstars!!

DONATE ITEMS TO HELP MORE DOGS AND CATS

Donation of items we use every day is a wonderful way to help us save money so we can subsidize more spay/neuter surgeries for families struggling financially and community cats. Donations are tax-deductible to the extent permitted by law.

Make a greater impact: organize a donation drive at your work or school or with your family and friends and bring the items to the clinic to see what we do to save animals!
