

## DID YOU KNOW?

More than  
**20 million pets**  
live in poverty **with**  
**their families** in  
the U.S.

**Three times**  
**as many pets**  
live in poverty as  
enter shelters  
**every year.**

**70% of pets**  
living in poverty  
have **never seen a**  
**veterinarian.**

\*Humane Society of the U.S.

We are raising funds now to help more families with pets in 2025 with basic veterinary care to enable them to keep their beloved pets with them instead of having to surrender them to an animal shelter. We continue to focus on families living in poverty in our Greater Cincinnati community, including homeless families and abuse victims with pets being temporarily housed by our social service agency partners.

Due to the rising costs of groceries and everyday essentials this year, the requests for help with the cost of spay/neuter surgery and core vaccines has skyrocketed. We need your help to keep these families together.

Please make a tax-deductible donation today to sponsor the basic veterinary care for a dog or cat and make a tremendous positive difference in the lives of those pets and the families that love them!!

**Help At-Risk Pets - Make a Tax-Deductible Donation Today!**

## Surgery Report

September 2024
