

THEIR PAW PRINTS STAY ON OUR HEARTS FOREVER

September is **National Pet Memorial Month** - a special time to remember the pets who filled our lives with unconditional love, joy, and companionship.

This month, you can honor a beloved pet while helping other pets have the chance to live long, happy lives with families who love them.

For a **\$100 donation**, we'll create a personalized, engraved **paw print that will be permanently displayed in UCAN's lobby**. Add your pet's name, a special message, or honor someone whose love for animals made a difference.

But this paw print is more than a memorial. **It creates a legacy.**

Your \$100 gift helps UCAN provide affordable and free spay/neuter services—preventing unwanted litters, reducing pet overpopulation, and helping keep pets out of shelters and **where they belong: with the families who love them.**

-  **Honor the pet you'll never forget.**
-  **Give another pet a brighter future.**
-  **Leave a paw print that makes a difference.**

Paw Prints: \$100

Personalized with up to 48 characters and permanently displayed in our lobby.

 **Their life mattered. Their memory can help save others.** 

Purchase your paw print today at ucancincinnati.org/pawprint and turn the love you'll always carry for a special pet into hope for pets who need us now.
