

## Keeping Pets and Families Together

We partner with several social service agencies to help keep pets with the families who love them.

One of our favorite partnerships is with Found House Pet Support Program. They support families with pets experiencing housing insecurity and help them find safe, affordable, pet-friendly housing, preventing those beloved pets from having to be surrendered to an animal shelter.

We provide free basic veterinary care for the pets so they can meet housing requirements. Garrett, who runs the pet program at Found House, recently

brought in the adorable Honey and her owner to our Friday vaccine clinic so Honey could get her core vaccines.

It truly does take a village to keep pets with the families who dearly love them, and we appreciate all of our generous supporters who enable us to provide programs like this!

### LEAVE A LIFESAVING LEGACY

We believe everyone deserves the unconditional love, companionship, and health benefits that a pet provides. Many times, a pet is the only family a person has.

By simple planning now, you can leave a lifesaving legacy enabling pets of families struggling financially to get the basic veterinary care they deserve.

Anyone can make a bequest and no amount is too small. There are several simple ways to accomplish a life-saving legacy:

- **Bequest in Will: Make a gift to UCAN in your Will. You can leave a specific amount or the remainder (or a portion of the remainder) of your estate after other bequests are satisfied. Here is some suggested language: "I give to UCAN Nonprofit Pet Care Clinic, an Ohio nonprofit corporation, (the sum of \$\_\_\_) (all or \_\_\_ percent of my residual estate) to be used for its general purposes."**
- **Charitable Trust: If you have a charitable trust for tax purposes, you can name UCAN as a beneficiary under the trust.**
- **Life Insurance: Name UCAN as the beneficiary under an existing life insurance policy, purchase a new policy with UCAN as the owner and beneficiary or donate a policy no longer needed to UCAN.**
- **Retirement or Financial Account: Name UCAN as the primary or contingent beneficiary under your retirement plan, your brokerage account and/or money market, savings, checking or other accounts that allow transfer on death (TOD) or payment on death (POD) designations.**

It is important to select the gift that is right for you by discussing it with your professional financial or legal advisor.
