

Pets need families.

Each year, thousands of cats & dogs enter overcrowded shelters due to unplanned litters. In fact, 4 out of 5 kittens entering shelters come from unplanned litters outside AND 3 times more kittens under 8 weeks old die in shelters than any other age group.

**They belong in loving homes,
not behind shelter doors.**

Please help provide free spay/neuter surgery and core vaccines for these homeless pets to prevent more unplanned litters and help those already born find their loving forever homes.
